

Crafting Homes Building Trust

Who We Are

Boutique Builds - Big Results

Arkan Group is a boutique building company based in Sydney, NSW, specialising in high-quality residential construction.

With a combined industry experience of over 40 years, our management team brings a wealth of knowledge, craftsmanship, and a personalised approach to every project. From concept to completion, we are driven by a commitment to excellence, transparency, and enduring relationships with our clients.

At Arkan Group, we don't just build homes — we build spaces that inspire, elevate, and stand the test of time.

Core Services

Precision in every Project

Custom Home Builds

Tailored residential solutions to match your lifestyle and vision.

Duplex & Multi-Residential Developments

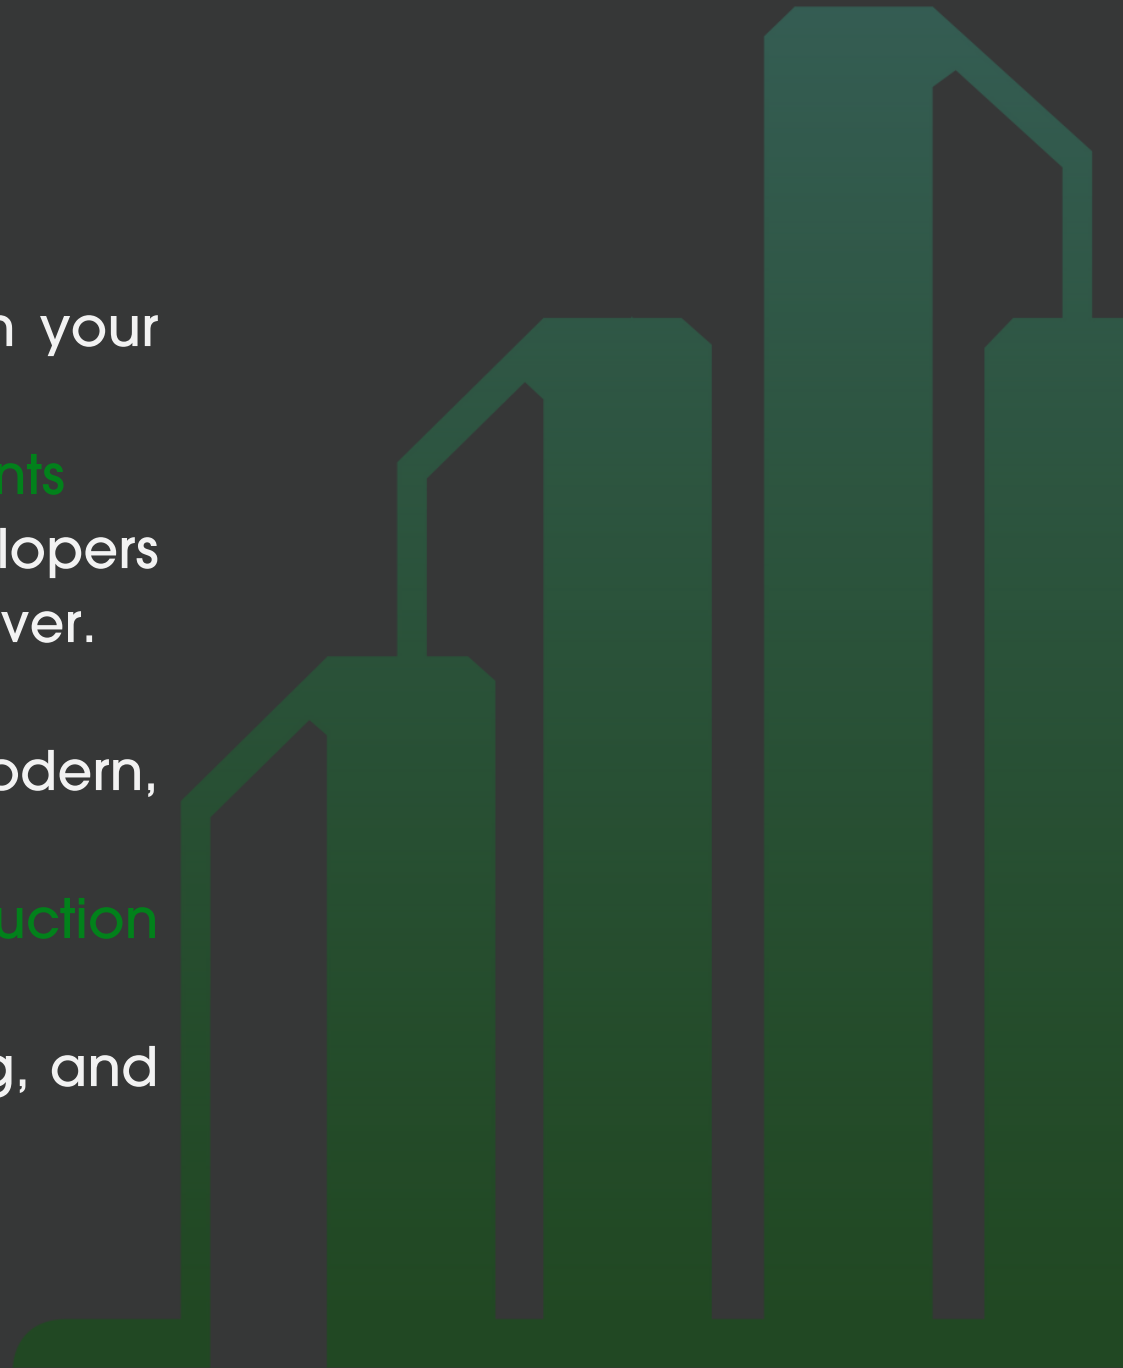

End-to-end project delivery for developers and investors, from planning to handover.

Knockdown Rebuilds

Transform your existing site into a modern, high-performing residence.

Project Management & Construction Consulting

Strategic oversight, feasibility planning, and construction advisory.

Capabilities

Where Vision Meets Structure

We offer the strength of a large builder with the care and attention of a boutique firm.

Our team is equipped to manage the full construction lifecycle, including:

- In-house project planning & design coordination
- DA and CDC approval support
- Construction cost estimation & budgeting
- Site management & quality control
- Compliance with BCA & local council regulations
- Transparent client communication and updates

We have successfully delivered projects ranging from boutique duplexes to large-scale developments of up to 100 residential units.
